

## LED (Double Faced) Exit Sign Box [AES-D6W / AES-D8W]

### Legend

### Features

- Reliable Ni-Mh Battery
- Not less than 2 hours emergency battery
- Less than 5% Lux deduction
- High power factor for the low power

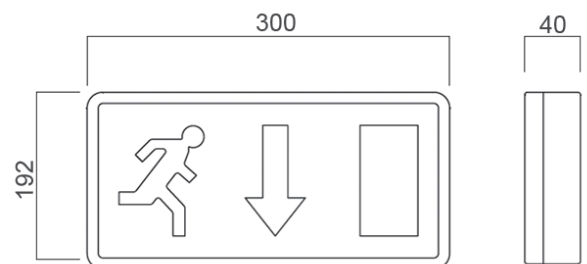

RoHS

IP20

LED

Ni-Mh  
Battery

5 Yrs  
Warranty

### Product Specification

Model:	AES-D6W	AES-D8W
Watt:	6W	8W
Emergency output:	400 lumens	600 lumens
Battery:	Sealed Ni-Mh Rechargeable Battery	
Battery Duration	>2Hours	
Recharge Period	12 Hours	
Transition Time	<0.3s	
Lamp	White LED Bar	
Dimension	(L)650mm x (H) 140mm x (D) 120mm	
Voltage	200V-240VAC 50Hz(±10%)	
Operating Temperature :	-20°C to 50°C	
Ingress Protection	IP20	
Standard	EN60598-2.22 PPA-104A 4 <sup>th</sup> version & Code of Practice Clause 2.10 BS5266
